SUEDE COLLECTION

To design is much more than assemble, or to order or to edit, It means adding value, emotions, to illuminate, to visualize, to simplify, to clarify. It's basically a combination of a lot of perfections.

TECHNICAL SPECIFICATION

- Size : 2440 mm X 1220 mm
- Thickness : 1mm (±10%)
- Care & Maintenance : Wipe clean with ordinary soap water of household ammoniated liquid detergent.
- Attention : Before buying the laminate please go through the specifications of the product mentioned by the company. The actual color or the sheets may be different with the sample exhibited in catalogue. Buyer are requested that before accepting the delivery of the sheets, please ensure about the color/Pattern & Shade number marked on the sheets. company will not take any responsibility regarding the difference in shade / Colour / Pattern after cutting / pasting of the sheets before or after putting over the surface.
- Caution : Cracking develop after pasting the laminate over the wooden surface is due to the poor quality of wood & glue. Hence company will not be responsible for the cracks developed after the pasting over the same. Company recommends to use ISI standards wood & glue quality for fixing the laminate.
